Mysore,

Dated 6th September 21.

Dear Mr. Matthan,

I have so far been unable to get a house here and have been occupying a room in the New Indian Guests' Quarters.

I do not know if the Second Member of Council (Mr. Mir Humza Hussein) intends occupying the Padmalaya during next Dasara. If he does not, I shall feel highly obliged if you will kindly obtain for me the permission of Government to occupy it, till I am able to get a suitable residence.

If Padmalaya is not available then, I beg that Mr. M.A.Narayana Iyengar's house on the Elwal Road which has just been taken up for the office of the Assistant Registrar of Co-operative Societies may be rented out to me temporarily. That office can be conveniently housed in the Old Cosmopolitan Club building which is vacant or shifted back to Mr. Humza Hussein's house which I hear is yet available. If required, I am prepared to bear the cost of shifting the office.

My need is very great and I can not conveneintly receive visitors in the room I am occupying. I beg you will very kindly place these requests before Government for their sympathetic consideration.

I have personally represented the matter to the Dewan.

Yours sincerely,

S Srinivasaya

Dear Mr. Hiriyannaiya,

I have received your letters of the 6th and the 8th instant regarding a building for your residence. Padmalaya will be occupied by the Third Member of Council during the next Dasara and it will therefore not be available. I wrote to the Registrar of Co-operative Societies on the 7th instant about the suggestion to place Mr. M.A. Narayana Iyengar's house on Yelwal Road at your disposal. I am awaiting his reply. As regards Dr. Mookerji's house it all depends whether Mr. Mookerji is going to stay or leaving for Lucknow. We shall probably know in a few days, and I shall address you again shortly.

Yours sincerely,

My dear Sir,

In reply to your D.O. letter No.1413/C.B. dated the 7th instant I write this to say that Mr. M.A. Narayan Ayangar's house on the Yelwal Road, Mysore, to which the office of the Assistant Registrar has recently been removed, may be temporarily placed at the disposal of Mr. S. Hiriyannaiya and the office shifted back to Mr. Humza Hussain's Bungalow. I request however that both Mr. Humza Hussain and Mr. Narayan Ayangar may be kindly consulted in the matter.

Regarding the question of cost which Mr. Hiriyannaiya seems to have raised in his letter to you, I think he must bear not merely the cost of shifting the office now but also that which may be incurred

My dear Mathias

Thanks for your letter of the 10th inst. The period for which you want my house back for the price of the Asst Registrar Cooperative Societies is not mentioned in your letter. Probably you require it for about two months during the period of stay

I Mr Hiriannaiyya at Mysore
This is too short a period for the
house being let out. If it is
required for a longer period, I shall
have no objection to place it
at the disposal of the Govt.

Dear Mr Ramaswamayya

I am just in receipt of your D.O. letter No 1646/CB. of the 19th inst. stating that the Registrar of the University had wired that Professor's quarters would not be available for my use. But in the authority of your letter No 1607/CB. of the 15th inst. I occupied the Bungalow on the night of the 28th as the Assistant Engr in charge

Even my office will be taken away in connection with the Assembly meetings and you can imagine my plight in such circumstances as regards attention to work during a busy season like the Dasara.

I shall vacate the house at the earliest moment possible to me and I beg you will therefore kindly obtain the permission of Govt to my continuance here till I am able to secure some kind of

In reply to your communication of date, I beg to state as follows:-

(1) The Official house was formally reserved for me and I was also asked to occupy it. I would not comply with your instructions as I found on examination that the house was still wanting in certain very necessary conveniences which I had previously asked for. The P.W.D., were pushing on with those alterations in accordance with my specified requirements, as you yourself will know by referring to our mutual correspondence on the subject.

(2) Pending receipt of Government Order on my case, I must needs maintain that I am in full enjoyment of all the rights and privileges appertaining to the Office I hold as a University Professor.

(3) Besides, after submission of my resignation, I was unexpectedly summoned by the gracious command of His Highness the Chancellor to an interview from which as well as from certain conversations that followed with the Huzur Secretary, I gathered that I could not treat the matter of my resignation as absolutely settled.

Am I, however, to understand that the Chief Secretary's letter is to be taken as an indication of the final decision of Government on my case?.
